Measure	Definition
1.1, 1.2, 1.3 Aboriginal young people in detention	Number of Aboriginal young people held in juvenile detention, whether remanded or sentenced. Custody population figures are counted as at midnight on the last day of the month.
2.1, 2.2, 2.3 Aboriginal young people in court	Number of Aboriginal young people appearing in finalised criminal court appearances. A finalised appearance is one which has been fully determined by the court and for which no further court proceedings are required. Counts appearances finalised in the Children's, Local, District and Supreme Courts.
3.1 Police court proceedings	Number of Aboriginal young people proceeded against to court by NSW Police. This measure excludes Aboriginal young people proceeded against for a breach of bail. Due to improvement in police recording of Aboriginality since Jan 2022, the number of persons with a recorded Aboriginal status has increased
3.1 Diversions from court	Number of Aboriginal young people proceeded against by NSW Police via a Youth Justice Conference referral or a caution or warning under the Young Offenders Act. Fare evasion offences have been excluded from these proceedings as they are regarded as a diversion from an infringement notice, and not directly a diversion from court. Due to improvement in police recording of Aboriginality since Jan 2022, the number of persons with a recorded Aboriginal status has increased
4.1 Refused bail by police	Number and proportion of Aboriginal young people refused bail by the police.
4.2 Refused bail by court	Number and proportion of Aboriginal young people refused bail at their first court bail appearance.
4.3, 4.4 Bail breaches	Number of Aboriginal young people whose bail was revoked due to a bail breach. 4.4 shows breaches where the offender committed a new offence, 4.5 shows a technical bail breach, such as reporting to police, curfew and residence.
5.1 Found guilty in court	Number of Aboriginal young people found guilty in finalised criminal court appearances.
5.2 Sentenced to prison	Number and proportion of Aboriginal young people sentenced to juvenile detention.
5.3 Sentenced to custody from remand	Number and proportion of Aboriginal young people refused bail at court finalisation by whether they received a custodial penalty or not.
6.1 Entering custody	Number of Aboriginal young people received into custody. Excludes those held in police/court cell complexes.
6.2, 6.3 Remand and sentenced population	Remand – Aboriginal young people refused bail (and small numbers granted bail but unable to meet conditions) are remanded in custody pending future court action. Sentenced - the courts have imposed custodial sentence for a proven offence.
6.4 Length of stay in custody	The average number of days spent in custody for Aboriginal young people discharged from custody.
6.5 Short-term remand	The number and proportion of Aboriginal young people discharged from custody that spent less than 2 days in custody
6.6 Detainee's most serious offence	The most serious offence type for which each person is in custody (remand and sentenced custody). Data is shown for the most recent month.
7.1 Reoffending among Aboriginal young people guilty in court or dealt with by YJC	Reoffending is defined as a further offence committed within 12 months of a Youth Justice Conference or proven court appearance and finalised by court appearance or Youth Justice Conference within 15 months (excludes those who received a custodial penalty). Data is presented for a 12-month period (annual cohort) ending with the relevant quarter.
7.2 Reoffending among Aboriginal young people exiting custody – new proven offence	Reoffending is defined as a further offence committed within 12 months of release from sentenced custody and finalised by court appearance or Youth Justice Conference within 15 months. Data is presented for a 12-month period (annual cohort) ending with the relevant quarter.
7.3 Reoffending among Aboriginal young people exiting custody – return to custody	Reoffending is defined as a further offence committed within 12 months of release from sentenced custody and finalised by court appearance within 15 months where the offender received a subsequent custodial penalty. Data is presented for a 12-month period (annual cohort) ending with the relevant quarter. This measure counts only those offenders who committed a new proven offence not parole revocations or bail refusal. 7.3 is a subset of 7.2 and shows those who were returned to custody.
